Why did you read it? Why did you finish it? Who would you recommend it to?:

I read this book because I enjoy fairy tale twists. I finished it because I liked reading the descriptions of the land of the giants and finding out more about the giantess and her situation. I also wanted to find out why Jack was so deeply sad and burdened after so many years and see what would happen to Nick. I would recommend it to anyone who enjoys a good fantasy story or a unique fairy tale twist.
