

Request for Tour or Research Instruction

Librarians from Adult Services provide general library tours and instruction to adult groups and classes. Tours typically last 45 minutes to an hour.

If your class wants to make use of a program room for instruction, we ask that you require your students to attend and that you allow time for a presentation by our staff.

If you do not want library instruction, but would still like to have space for your group to meet before or after the tour, please contact Library Administration for [available meeting rooms](#).

To schedule a tour for children or young adults, contact those departments directly:

- [Children's Tours](#) (812) 349-3100
- [Tours for Teens](#) (812) 349-3208

Name *

Telephone
