Podcasting 101

Have you ever had an idea for a podcast and not known exactly where to begin? Looking for answers online turns up a variety of resources, but it's easy to feel overwhelmed when you see extensive lists of gear, software, and production techniques.

Fortunately, the Library is a great first step to learning the tools of the trade! The Library's Digital Media Expert's recommendation for anyone who asks about audio editing or making a podcast is [Audacity](#), a free open-source audio-editing application. [Read more about Podcasting 101](#)
