

## [October Level Up Highlight - Final Cut Pro X!](#)

Final Cut Pro X is a powerful, flexible video editor commonly used by industry professionals. With its "magnetic timeline," Final Cut allows for quick editing with no risk of leaving gaps or creating audio/video synch issues. In addition to all standard video editing features, it has new features like 3D text capability and enhanced masking effects. Whether you're new to editing, an iMovie user ready to take a step forward, or a seasoned editor, Final Cut Pro X will provide you with all the tools necessary to create a high quality project.

Final Cut Pro X is available on computer workstations 1 and 2 in Level Up.
