

# Michael Koryta Author Event

Don't miss your chance to see local mystery and suspense author, Michael Koryta at

Barnes and Noble next week to promote his newest book - [The Ridge](#) .. He will be there on Monday, June 6 at 7:00 p.m. Full event details available on the Barnes and Noble website, and also from [Michael's personal blog](#) .. too.

Stephen King wrote an article for the most recent EW magazine (June 3/10) entitled "My Summer Reading List". He disagrees with the notion that summer reading should include heavy titles such as *War and Peace*, but promises that none of his recommendations "will insult your intelligence, but all will take you away to new and interesting places full of excitement, danger, and maybe a few laughs." Of the twelve titles on the list, Michael Koryta's next most recent book, [The Cypress House](#) .. is included! King says, "[g]angsters, a silent but heroic drifter with second sight, and a whopper of a Florida hurricane. How can you go wrong?"

Love the international buzz for this great local author! Be sure to catch him next week!
