

## [David Bowie 1947 – 2016](#)

On January 10<sup>th</sup> of this year we lost one of the most the most innovative musical performers of the late 1960's on: David Bowie. David Bowie managed to re-invent his stage persona and musical style to fit the times and keep himself relevant. Bowie was not just a talented musician and singer. He was also a talented actor and he starred in a number memorable and now classic films. In his first major role his acting ability and unique looks brought the alien character of Thomas Jerome Newton to a life in *The Man Who Fell to Earth*. And few who have seen the film *Labyrinth* can forget him as the King of the Goblins in his M.C. Escher inspired castle.

Below I have provided a link which will bring up a list of Monroe County Public library's holdings wish feature the music, writing or acting talent of David Bowie. Mr. Bowie, you will be missed.
