

Kumare [»]

Kumare is a 2011 documentary about a guy from New Jersey who tries to discover the meaning of spirituality. His methods of doing so are very questionable and I disagree with them but this documentary is redeemed in the end because Vikram tells his followers the truth. Vikram dresses up as an Indian Guru and cultivates a cult following. He does not reveal to his followers that he is a fake until after he leaves town. In the end both Vikram and his followers learn that happiness comes from within. The library has one copy of this [on dvd](#) [»].
