

[Returns at the Downtown Parking Lot Entryway](#)

We've updated the materials return drops in the parking lot entryway of the Downtown Library. Watch the video to see how they work! Here's the process:

1. Scan one item to unlock the door.
2. Pull open the door then put up to five items in the chute.
3. Close the door.
4. If you have more items, wait for the light to turn blue, then repeat the process.

Earlier this year we [updated our drive up window to be contactless!](#) If you'd prefer not to enter the Library, you can walk, bike, or drive up to the contactless pickup window to return items and pick up holds.
