

[Fantasy Escape Room](#)

Do you enjoy puzzles and fantasy games? Test out the library's fantasy escape room! With themes reminiscent of a Dungeon and Dragons game, you can attempt to escape the Wizard Tower. You don't have to complete all of the puzzles to finish the game, but completing different puzzles means different endings.

You can attempt this escape room by yourself or as a group. Click on hints on the way if you need help. This escape room is intended for teens but adults and children can test out their mettle too! Good luck!
