## Proper care and feeding of your DVDs, CDs and BluRays.

Not this way

[Image](#) [When compact discs](#) first came out they were proclaimed to be almost indestructible. I still remember watching the Today Show and being amazed as the new media storage for music was demonstrated. Part of the demonstration was taking a small hammer and hitting the CD disc with it. A wonder of wonders; the disc still played. Looking back on this event today I wonder if the disc would have played all the way through. The Idea that digital disc storage was indestructible has been more than a little overblown. Digital discs need the same care and sometimes greater care than the old vinyl recordings. I would like to share with you some guidelines for caring for your digital discs. " [Read more](#)

## What's an Alex Award?

In Zanesville

 Warning! Don't look for these books in the Young Adult section! These are "Adult Books," written for adults. Teens beware!

Ok, now that I've got your attention, let me also say that these books are just great for teens. So great, in fact, that the Young Adult Library Services Association (YALSA) made an award just for them, and named them after a famous Baltimore librarian - sort of. Her name was Margaret A. Edwards, but her friends called her Alex, and that's where we get the Alex Awards. The [2012 Alex Awards](#) feature ten books written for adults, but with special appeal to teens. [Read more](#)
