Artemis Fowl the eternity code

**Author:**

Eoin Colfer

**Why did you decide to read this book? Did a friend suggest it? Did it have an interesting cover?:**

I decided to read this book because I really like science fiction and I had heard that this was a really good book and was science fiction so I decided to give it a try I didn't like the first two books much, the Arctic Incident and the first book. The Opal Deception was also really good, book four.

**What is the story about?/What happened in the story?:**

In the eternity code Artemis Fowl a criminal mastermind at the age of fourteen set up a meeting with billionaire Jon Spiro and offered him a deal for a device that can render all human technology obsolete. But Spiro decided to take the device which was called the C cube and keep it. But he soon realized that there was an eternity code on the cube that could only be unlocked by Artemis' voice patterns.

**Why did you like this story? or Why did you not like this story?:**

Yes because it was very exiting.

**Other thoughts or feelings about this story? Anything else to add?:**

No
