Why did you decide to read this book? Did a friend suggest it? Did it have an interesting cover?:
I decided to read this book because I had seen it before at the library.
What is the story about?/What happened in the story?:
This is a collection of stories by Dr. Seuss. The story that is the title has a duck and a cat and a seed in it. And the duck wants one weeks worth of duck food and there is a seed that he finds in a box that is lying in the grass.
