book

**Your Review:**

This story is about a girl named Mia whose dream is to get accepted to the Juilliard School to study the cello. One day Mia and her family have a terrible car accident and everything seems to be falling apart for Mia. While Mia is in the hospital, she thinks about her past and her friends. Her friends try to see her in the hospital. This book is a beautifully written novel.

**Write a review of the book, including plot points, if you wish:**

"If I Stay" is an amazing novel that grabs your attention from the start, and keeps you reading until you're done. This book will change the way you look at life, love, and family. Seventeen year-old Mia shows you how everything can change in a blink of an eye when a tragic car crash kills her family and nearly kills her. She has to make the choice whether to stay alive, living a life with much sorrow, or to move on with the rest of her family. This story will have you rooting for Mia until the end.

**Similar authors or titles?:**

This novel is truly one of a kind.

**Would you recommend this book?:**

Yes, I would definitely recommend this book, since it changes your outlook in life in general. It is a satisfying read, and is quite inspirational.
