**Write a review of the book, including plot points, if you wish:**

What would you do if millions of people around the globe vanished in a single instant, causing those left behind to wonder at the deed just occurred? That's the opening setting of Left Behind, a Christian Inspirational Fiction novel written by Tim LaHaye and Jerry B. Jenkins. This series of twelve books tells the story of Revelation from the Christian Bible, combined with action, adventure, and a little romance. We go through the days of the Tribulation (the end times) with many characters who live in Christ, and see the trauma of those final days.

**Would you recommend this book?:**

Yes, for this is a very action-packed, dramatic, hard-to-put-down novel, with its core around the truths of Bible prophecy.
