This is an amazing debut for the series. It is an ingenious idea for a book. This book is the perfect length for teens and has a great storyline. There are no bad things about this book!

This is an amazingly good book. I've been looking for a series that is as catching to me, as the The Harry Potter Series or The Sisterhood of the Traveling Pants. I think this book is what I've been looking for. It includes romance, adventure, and it makes you think about your own society. I think this is a great book for teens.
