Got fines? Under 18? Read it off!

Read It Off offers kids with \$20+ in library fines a simple and fun way to clear them by reading! It's as easy as 1-2-3!

- Tell a librarian, "I want to read it off!" Borrow one book, magazine, or audiobook with your Library card.
- Read or listen to the item you selected. Younger kids can ask a parent or an older sibling to read to them.
- Bring the item back to any Library information desk (not the return slots!). The Library will waive \$5 of your fines.

Have more fines? Repeat steps 1, 2, and 3!

Still reading off your fines but want to read more? [Check out the Library's eBooks](#). There are no fines for eBooks and they automatically return on their due date.
