

[Homework Help for Tweens](#)

Whether you need to solve a math problem, complete an assignment, write a report, or do a presentation, these resources can help you find the right information.

Not finding what you need to complete your assignment? Give us a call at (812) 349-3050 and we'll help you find the resources you need!

The Library also provides [homework help for teens](#).

Homework Resources

[eAccess for Schools](#)

[Ask a Librarian](#)

[Contact Us](#)

[Hours & Locations](#)

[Parking](#)

Use these popular, free resources in the classroom or for independent study.

[Research Center](#)

See our Research Center, a resource created for Tweens, for more sources to help support youth with research or other information gathering assignments.

[Writing a Book Review](#)

See our page on Tips for Writing a Book Review for help brainstorming what to include in a book review.

[WebMath](#)

Generates answers to math problems and explains how to solve them.

[FactMonster](#)

From the Information Please almanac, this site features its own Homework Center with resources divided by subject matter, and other useful online tools, such as atlases, conversion calculators and more.

[HomeworkSpot](#)

Browse common homework topics by grade level (K–12). This includes reference tools and information on current events.

[Khan Academy](#)

Features more than 3,000 videos on math, science, test prep topics and more, enabling users to watch and learn for free. Includes hundreds of practice exercises and resources for teachers, too. Free resource that requires signing up with an email address.
