

## [Homework Help for Tweens: Research Center](#)

### Welcome to the Research Center!

Here, you'll find various resources that can help you as you work on your reports and other information gathering projects.

#### [Library Catalog](#)

Searching the catalog is a good place to begin your research project. If you see a title you're interested in for your project, you can [place a hold](#) on it or make note of it so you pick it up on your next visit to the Library.

#### [eLibrary Resources for School](#)

Using the eLibrary is a great especially if you need information right away. Here you can find a listing of some of our popular eLibrary resources for use in school work and for independent study. If you don't see what you want there, try our [complete listing of eLibrary resources](#) - with these resources, you can access magazine and newspaper articles in addition to many other types of information.

#### [Indiana and the World](#)

Take a look at this page if you're researching Indiana, other states in our country, or are looking for information about a different country.

#### [Student Research Guide](#)

Use this guide to help think through your topic and make the most of your research time.

### Citing Sources

Regardless of where you get your information, It is important to give credit to the authors and creators of information and images that you use in a report. This is called citing your source.

#### [Learn How to Cite your Source](#)

This page offers several resources to help you cite your source.

- Note: there are many citation styles. Check with your teacher to learn if they want you to list your sources or create a bibliography in a certain way.

### Researching Online

Not finding what you need? You may be interested in researching online but you will need to make sure the information you're looking at is safe and accurate.

#### [Internet Safety and Search Tools](#)
