Assuming our librarians are choosing books for a child, how old is the child? *

What kinds of topics or genres (mystery, books about life, scary stories, etc.) are you interested in? *
You can be as general ("books about butterflies" or "surprise me with picture books!") or specific ("books about yellow butterflies with stripes!") as you like and we will do our best to find the right books for you!
Are there any kinds of books that you aren't interested in and don't want to see selected?

What was the last book you or your child read that you/they really enjoyed?

Librarians will recommend up to 10 books for you. How many books would you like for us to recommend? *

After our librarians have collected recommendations for you, would you like them placed on hold for you, or would you rather have a list emailed to you? *
