Description	<p>Recovery Engagement Center (REC) is a low barrier community center for someone who is seeking recovery. It is intended to be a walk-in center, in the community, that is warm, welcoming and non-threatening. An individual who needs to find resources, help, or just a cup of coffee can drop in and feel welcome. The goal of a REC is to be a hub for recovery and to serve as a clearing house for recovery resources for the community. This is a place where faith-based providers can have events, 12-step meetings can occur, treatment referrals can be made, and so forth.</p> <p>The Recovery Engagement Center is a community center that provides recovery classes, recovery coaching, 12-step meetings, volunteer opportunities, computers with internet, a Friday community lunch, and special recovery events. We strive to help those seeking recovery to regain a sense of hope and possibility from their addiction.</p> <p>Ages 18 and older.</p>
