Leadership Bloomington - Monroe County (LBMC) builds a stronger community by identifying a diverse cross-section of emerging leaders and preparing them for roles in shaping our future. Each year, people who are broadly representative of Bloomington and Monroe County participate in this leadership program to prepare for greater involvement in community life. To date, more than 800 local leaders have participated in this program.

LBMC is a program offered in partnership by Indiana University and the Greater Bloomington Chamber of Commerce.
