## Life Education and Resource Network (LEARN)

**Website**  
http://learninbloomington.blogspot.com/

**Address**  
Bloomington, IN

**Description**  
LEARN is a group of Indiana homeschooling families from Bloomington, Monroe County, and the surrounding area. The network is diverse and inclusive; many political backgrounds, educational philosophies, and religious views are represented, and all are welcome. We are also committed to providing information for the broader community about homeschooling in Indiana.
