Address

702 East Pepperridge Drive
Bloomington, IN 47401

Description

Javascript is required to view this map.

Living Earth Television (LETV) is a nonprofit organization based in the USA that locates, licenses and adapts existing documentaries for international broadcast and education. Our focus is on finding documentaries made by filmmakers who are from the communities and cultures they document, offering an insider's perspective to viewers around the world. We work with the original filmmakers to adapt their films for new audiences internationally, through culturally-sensitive translations that make the films accessible for the audiences.
