

# Progressive Faculty and Staff Caucus

**Website** <https://pfscaucus.wordpress.com>

**Address** Bloomington, IN

**Description** The Indiana University Progressive Faculty and Staff Caucus represents more than a hundred faculty, staff, and postdoctoral members from the Bloomington campus of Indiana University. As educators, the members of the PFSC recognize a responsibility to foster informed and critical dialogue in our classrooms, on our campus, in our community, and in national and international forums.

We seek to work in alliance with other groups and organizations committed to congruent ideas and educational aims.
