The purpose of the SAS is to improve the professional, academic, and social aspects of its members' lives. It is our goal to bring accounting students, faculty, and professionals together in an 'out-of-the-classroom' atmosphere so that they can meet and discuss relevant accounting and business issues. Through activities such as professional events, community service & social functions, and committee involvement, the SAS helps its members learn the hard skills and soft skills that are needed to be successful in any business environment.
