Description

BloomingVeg is an all-ages social and advocacy group for vegetarians, vegans, and veggie-lovers alike in Bloomington, Indiana. BloomingVeg was founded in 2012 in part to organize outings, helping at the local animal sanctuary, promoting & publicizing vegan dining options in Bloomington, leafleting, demonstrating at circuses and engaging in other friendly efforts to help others live more compassionately.

Also because eating is such a social aspect of our lives, we wanted to provide a venue for fun gatherings like Meatless Monday dinners at local restaurants, potlucks, holiday cookie swaps and more among like-minded people.

If you are a long time vegan or vegetarian, just starting out or maybe you just like eating vegan food--BloomingVeg has something for you.

[Monroe County Humane Association](#)

Address	3410 S Walnut St PO Box 1334 Bloomington, IN 47402
Description	Javascript is required to view this map. Mission We have been responsibly and compassionately protecting, advocating and educating for animal welfare since 1956. History The MCHA is an independent 501c(3) non-profit organization that receives no government funding or regular funding from national organizations. While the MCHA does participate in hands on rescue work with local and regional law enforcement agencies, the MCHA is not an animal shelter, but an animal welfare and advocacy organization.

The MCHA established and ran what is now the City of Bloomington Animal Shelter in the 1950's - 2000's, along with hiring the first animal control officers and obtaining a humane shelter certification for the shelter in the early days of animal sheltering. The two organizations have shared space, staff, programs and visions of a humane community since the late 1950's. While the City of Bloomington Animal Shelter is fully funded by tax dollars, there are many things needed to strategically address a wide variety of animal related issue in our community, in addition to sheltering homeless animals.

Today the MCHA provides services and programs working in concert with the City of Bloomington Animal Shelter, PetsAlive, local veterinary clinics, national advocacy organizations and other partners to identify, build resources and create solutions for animal welfare issues.

[My Dog Is My Home](#)

Address

PO Box 864030

Ridgewood , NY

Description

Javascript is required to view this map.

My Dog is My Home is a national nonprofit organization dedicated to preserving the human-animal bond in circumstances of homelessness. Due to a general "no pets allowed" rule, homeless people are often faced with the choice of leaving their companion animals to seek shelter or staying with their companion animals on the streets. We don't believe this is an ultimatum anyone should have to face.

OUR MISSION

To increase shelter and housing access for homeless people and animals who find a home in each other despite having little else.

OUR VISION

To establish a right to shelter and housing that recognizes companion animals as family.

OUR PHILOSOPHY

We believe in the dignity and worth of all animals--both human and non-human--and that every animal has the right to live with whom they choose, where they choose.
