

## [Monroe County Timeline](#)

The [Monroe County Timeline](#), an authoritative and popular index of our county's historical and curiously interesting events, was created through a partnership between [Monroe County History Center](#), the [Office of Archives and Records Management at Indiana University Bloomington \(part of IU Libraries\)](#), and the Library. Built by the community, it showcases county events in a timeline format.

Related educational activities:

- [Draw a picture of historical events](#)
- [Trivia](#)
- [Map of timeline events](#)

For more information, contact cfriesel [at] mcpl.info (Christine Eykholt Friesel).

Many thanks to our special supporters:

Special thanks to Michael Richardson, CEO and Founder of Timeglider.com for use of their software and encouragement and for the site constuction by David Ernst, of [Internet Minded Design & Development, LLC](#).
