The Library invites you to take a brief survey to inform its strategic roadmap for 2021–23! Your input has always been a vital part of this process, informing that the Library be a safe, welcoming, and inclusive place for the community to read, learn, connect, and create. [Learn more about recent accomplishments.](#)

Your response will guide the Library's decisions on a variety of topics, including technology, programs, partnerships, and materials. This survey is anonymous and will take around 5 minutes.

Survey results, alongside conversations with community stakeholders and local organizations, will create a vision for the coming three years. Results will be shared this fall and a new roadmap presented at the end of the year.

To provide direct feedback or [receive a paper survey](#) via mail, call (812) 349-3050 ext. 4030.

Thank you for participating in this process! This survey will close on August 31.
