

Nonprofit Central

Addressing the unique information needs of area organizations

We help organizations

1. Increase management and governance capacity.
2. Improve capacity to develop resources for long-term sustainability.
3. Strengthen collaborative environment.

We offer

- Staff knowledgeable about nonprofit best practices and our community.
- Resources for fund development, incl. Foundation Center's Database of Grantmakers.
- Opportunities for learning and networking.
- One-on-one consultations.
- Comprehensive list of Community Organizations and Meeting Spaces.
