

## [Digital Creativity Workstations](#)

Take creative ideas from “Aha!” to “Awesome!” with the Digital Creativity Workstations and laptops in Level Up. With free access to the tools professionals use, you’re on your way to amazing graphic, video, and audio productions.

### **Adobe Creative Cloud**

Adobe leads the pack in digital creativity software. Your images, sounds, and words go in—and amazing movies, songs, and publications come out. We provide you free access to the [Adobe Creative Cloud](#) suite of programs on all workstations and laptops in Level Up.

## Using Workstations

You can log in to any Digital Creativity Workstation at Level Up. When all Workstations are in use, you may reserve the next available one. Priority is given to those using the workstations for creative purposes. While consuming media (surfing the web, watching videos) is permitted, you may be asked to move to a different area if all

computers are full.
