

## [Video Production Studio](#)

**The Video Production Studio is currently closed.**

### **Mobile Video Production Kits**

Want to capture high-quality material for your creative project? [Mobile Video Production Kits](#) give you access to recording equipment to use with your smartphone anytime and anywhere. Kits include an adjustable tripod for stability, a lapel microphone for quality audio, and an adjustable light. [Learn more about our Mobile Video Production Kit](#) to check out or place on hold.

You supply the script, we supply the gear! Level Up has all you need to make your next project come to life.

Shoot your project with a digital HD camera in the Video Production Studio, record sound in an [Audio Production Studio](#), then use a [Digital Creativity Workstation](#) to edit your work to perfection.

## Getting Started

[In-depth lessons on video production](#) are available free through our subscription to [LinkedIn Learning](#). See instructions for studio equipment and software below, or on our [Digital Creativity Workstations information](#) page.

## Making a Reservation

Getting access to the equipment you need is easy. Just reserve a Video Production Studio with our [online booking system](#), set up your shots, and call "Action!"

## What's Available
