

## [Mobile Video Production Kits](#)

Want to capture high-quality material for your creative project? Mobile Video Production Kits give you access to recording equipment to use with your smartphone anytime and anywhere. Kits include an adjustable tripod for stability, a lavalier microphone for quality audio, and an adjustable light.

The mount helps ensure good focus and stability, the light makes things clear and adds highlights, and the microphone provides quality audio. The kit is available to anyone looking to capture high quality video and audio for either videocasting, vlogging, streaming, or other creative projects.

The kits can be checked out for three weeks and must be returned to a staff person at a desk (NOT in a return slot). [Check current availability.](#)
