Working in public transportation by Kamberg, Mary-Lane, 1948- author.

In urban areas all over the world, people are on the move. Buses, trains, ferries, subways, elevated trains, and electric-powered streetcars, trams, and trolleys get people from work to school, from school to work, and back home again. They can also offer a rewarding career opportunity. This fundamental guide to careers in public transportation gives readers an overview of daily job responsibilities, educational and professional requirements to get a foot in the door, and all the tips to landing
