Fundraising

[Network for Good](#)

Network for Good is a hybrid organization—a nonprofit-owned for-profit. Network for Good's nonprofit donor-advised fund uses the Internet and mobile technology to securely and efficiently distribute thousands of donations from donors to their favorite charities each year. Click on the resources tab to find free webinars, blogs, virtual fundraising toolkit and lots more valuable information for nonprofits.

[Fundraising Authority](#)

Fundraising Authority was started to help non-profits fund work that matters and to offer them the absolute best information and counsel on how to raise money for their organization, no matter how small or large. Webinars aren't free but you get lifetime access so can share them with board members and volunteers and a podcast with great topics.

[Classy](#)

Classy is a social enterprise that creates world-class online fundraising software for nonprofits, modernizing the giving experience to accelerate social impact around the world. Since 2011, we've enabled millions of donations from over 190 countries. Based in San Diego, CA, Classy is trusted by more than 4,000+ organizations of all sizes and causes, from major events like disease outbreaks, disasters, mass shootings, and social movements, to mainstay world challenges like environmental issues, child trafficking, human rights, and animal rights. This site has a lot of really great free webinars and nonprofit resources.

Marketing and Communications

[The Storytelling Non-Profit](#)

When it comes to communicating with your donors, stories can be a powerful tool to spur action. That's why The Storytelling Non-Profit exists. Through free and budget friendly webinars and other curated resources for nonprofits, this resource offers excellent advice about how you can communicate and make meaningful connections with your donors through stories.
