Bookmobile Service

General Information

The Bookmobile is your Library on wheels! It offers ever-changing collections of high-demand materials for all ages including bestselling books, recent and classic movies on DVD, audiobooks, music CDs, magazines, and more. The Bookmobile also offers holds pickup, materials return, and staff information assistance. It has regular stops in the community to make accessing materials more convenient for you. Call (812) 349-3174 for more details.

COVID-19 Update

The Bookmobile has resumed its regularly scheduled routes, with the exception of Wednesday morning stops. Given the limited space inside the Bookmobile, visitors will need to remain outside and will not be able to browse the collections.

Patrons at the three Wednesday morning stops (Meadowood, Cambridge Square, and Bell Trace) have moved to a biweekly outreach van delivery service and must be residents of those facilities to use the service.

Please request your items through the online catalog or by calling (812) 349-3050 during Library phone hours. When calling, please be sure to tell Library staff that you want your requests to go to your Bookmobile stop. If this is your first time picking up materials at a given stop, please indicate this, along with which stop you will use. Please note that it may take 4–5 days between when you make a request and when it is available for you.

All Bookmobile users over the age of two must wear a mask. Please observe social distancing guidelines, keeping a minimum of six feet between yourself and others. The Library strongly encourages you to follow these other safety measures to help prevent the spread of disease. Please do not touch others' materials.

With the Bookmobile closed for browsing, the Library is only able to offer materials you have requested in advance. If a stop is very slow, staff may be able to check the shelves for certain items while you wait, but please do not count on this.
