Outreach Van Services

The Outreach Van provides Library materials to residents of assisted-living and senior-living facilities. Its lobby stops and deposit collections help meet the needs of patrons who cannot access our other offerings.

Lobby stops are browsing collections brought biweekly to serve residents with limited mobility. Using rolling carts, Library staff set up a temporary mini-library in the lobby or activity room of facilities and check out materials directly to patrons.

Deposit collections can be separate from lobby stops or an additional service. Library staff deliver bags of books and other materials to sites biweekly or monthly. These facilities then establish their own method of distributing and using materials.
