# Foundation Center Databases for Grants

## Foundation Center Databases for Grants

The authoritative source for information on private philanthropy in the United States for grantseekers, grantmakers, researchers, policymakers, the media. Help on funding research, proposal writing, locating prospective funders, news and research on the field, and training opportunities. Available only inside the Main Library. Ask staff for assistance. *The Library is a Funding Information Network partner of the Foundation Center, made possible by United Way of Monroe County.*
