This romantic, fantasy retelling of Beauty and the Beast is sure to make your heart skip a beat. Feyre is a young woman, struggling to support her family. They once lived the lives of prosperous merchants, but now have lost everything and are starving in a hovel. Feyre has taught herself to hunt and spends her time out in the dangerous winter woods. After taking down a deer and an enormous wolf, Feyre finally has food for her family and some extra money from selling the wolf's pelt. Just when she's feeling a little comfortable, an enormous wolf-like creature bursts into her family's home, demanding she pay the price for killing a fairie. It turns out the wolf was actually a fairie in disguise and now Feyre must either forfeit her life, or go with the creature to the fairie lands of Prythian forever.

Feyre goes with the creature across the border that keeps the mortals safe from the powerful immortal fey and into the land of Prythian. She discovers that the wolf is actually a High Fey male named Tamlin who can change his shape. He tells Feyre that his estate in the Spring Lands is her home now, but Feyre knows that this beautiful place is not all it seems to be. Dangerous creatures roam the woods and an unknown terror is gaining strength across the land.

Feyre's story will be familiar to readers as well as new and exciting. She is a strong young woman with a mind of her own who refuses to give up who she is. Sarah J. Maas is a wonderful new voice in YA fantasy with both this series and her [Throne of Glass](#) series. She writes unforgettable characters who will inspire readers. Her worlds are easy to lose yourself in and will feel very real. Some of the content of this particular series is mature so it's recommended for older teen readers. If you've already read, and loved, this book, then you should pick up [A Court of Mist and Fury](#). The sequel is even better than the first one! Happy Reading!
