## The Murderer's Ape

### **Jakob Wegelius**

Y Wegeliu

When her best friend, the sailor Henry Koskela, is falsely accused of murder, a gorilla named Sally Jones visits the run-down docks of Lisbon, embarks on a dizzying journey across the seven seas, and calls on the Maharaja of Bhapur's magnificent court—all in an attempt to clear Henry's name.

"I've read this book three times in a row! It is so much fun—like an Indiana Jones sweeping adventure, with a Gorilla as lead character! Main setting is Portugal, not quite 100 years ago—listen to traditional Fado music while reading!"—Kevin M., TDC Strategist
