[Active Living Coalition](#)

Website

<https://bloomington.in.gov/node/3726>

Address

Bloomington, IN

Description

The Active Living Coalition is comprised of individuals and organizations in Bloomington that represent all areas of fitness, wellness, nutrition and active living. Active Living Coalition members include representatives from health care, health and nutrition education, city and county parks and recreation departments, businesses with focus on fitness, wellness and active living and service organizations that promote healthy, active lifestyles throughout the Bloomington community.

What We Do:

Improve overall health and wellness by developing educational materials and coordinating health events

Develop walking guides for Bloomington's trails and streets

Coordinate community walks and health fairs

Write and submit grants

Compile wellness resources to post on our site

Host employee wellness policy workshops

The Active Living Coalition is open to all who have a passion for improving health and wellness of people who live, work and visit Monroe County. Participation ranges from keeping abreast of activities and events to participating in and leading collaborative projects.

We meet the first Thursday of each month from 1:30-2:30 p.m. in the second floor conference room at the I.U. Health Bloomington Community Health Office located at 333 East Miller Drive, Bloomington, Indiana .

[Volunteers in Medicine of Monroe County](#)

Website <http://www.vimmonroecounty.org/>
Address 811 W. Second Street
Bloomington, IN 47403
Description

Javascript is required to view this map.

In cooperation with others in the community, Volunteers in Medicine plans to provide the following services without cost to the medically underserved in Monroe and Owen Counties: easily accessible, quality primary and preventive health care; treatment for both acute and chronic conditions; and health education that empowers individuals to take responsibility for their own well being.

Replaced the CHAP (Community Health Access Program)Clinic in April 2007.
