Xbox Adaptive Controller (XAC)

Designed primarily to meet the needs of gamers with limited mobility, the Xbox Adaptive Controller is a unified hub for devices that helps make gaming more accessible. Connect external devices such as switches, buttons, mounts, and joysticks to create a custom controller experience that is uniquely yours. Button, thumbstick and trigger inputs are controlled with assistive devices connected through 3.5mm jacks and USB ports. [View additional information about the XAC.](#)

Brook Game Controller Super Converter

This converter allows XAC to be compatible with PS4/PS5 consoles and games.

Logitech G-Series Adaptive Gaming Kit

- 4 light touch buttons (Sensitive, light-pressure buttons with a 12mm height can activate with low force)
- 2 variable triggers (Pressure-sensitive triggers can function like gas pedals, ideal for racing games or other applications)
- 3 small buttons (Approximately 1.4" buttons, built with mechanical switches. Low height allows for easy and

- quick presses)
- 3 large buttons (Approximately 2.5" buttons built with mechanical switches are reinforced with stabilizer bars for consistent actuation across the full surface)
- Rigid and flexible game board

Ultimarc Ultrastik 360

An arcade style analog joystick. One red ball topper version and one wrist cradle version.

Ablenet Mechanical Specs Switch

With a 1 3/8-in/3.5-cm activation surface, the Specs switch is small enough to be worn, but is most often used as a mounted switch. The Specs switch includes a space saving flush base and a strap base for mounting around items. 24-inch strap included.

Soft-top Wheelchair Tray

Laptray is reversible to provide two different surfaces—a cushioned side for comfort to rest arms and protect skin or a hard top surface to provide a durable work surface. Patient-accessible strap allows tray to be secured to wheelchair and prevent tray from sliding forward. Measures 23" wide. Surface is made of wipe-clean vinyl.

Mayflash Magic-NS Adapter

This adaptor allows XAC to be compatible with Nintendo Switch consoles and games.

Please note: This equipment is available exclusively for use at the Downtown Library in The Ground Floor teen space.
