

Citizenship Resources

To learn more about citizenship eligibility requirements, read the US Citizenship

and Immigration Services guide to naturalization. Please note that while VITAL helps with test preparation, they cannot directly assist with the application process itself (filling out paperwork, answering legal questions, etc.).

Library Resources

- VITAL collection: flashcards, workbooks, and audio resources to build literacy and civics skills
- VITAL classes: individual tutoring and small group help for studying US civics and preparing for the citizenship test
- Free immigration-related legal advice: first-come, first-served, and free for those who are income eligible at EI Centro on the fourth Monday of the month from 12?3 PM

Learning eLibrary Resources

- US Citizen and Immigration Services: online videos, activities and practice tests
- USA Learns: video based course with learning activities for English and citizenship study.
- The Refugee Center: resources and information for newcomers about living and working in the US
- Testing and Education Reference Center: for test preparation resources click on International Tools > US Citizenship

Community Resources

- Counsel in the Court: advice and help with paperwork on a first-come, first-served basis at the Monroe County Justice Building on Fridays at 10 AM ???
- Indiana Legal Services (Bloomington): services by appointment, free for those who are income eligible
- Immigrants' and Language Rights Center (Indianapolis): a statewide legal assistance call center for income-eligible immigrants and those with limited English proficiency (staff speak 170 different languages)
