# MONROE COUNTY PUBLIC LIBRARY <br> BOARD OF TRUSTEES MEETING <br> Wednesday, December 18, 2013 <br> Meeting Room 1B <br> 5:45 pm 

## Present:

Kari Isaacson, Valerie Merriam, Stephen Moberly, Fred Risinger, and John Walsh.

Absent: David Ferguson and Melissa Pogue.

Staff Attendance: Ned Baugh, Michael Hoerger, Sara Laughlin, Gary Lettelleir, Martin O’Neill, Sue Sater, Bara Swinson, Kyle Wickemeyer-Hardy, Marilyn Wood, and CATS staff.

Others in Attendance:
Tom Bunger and Rachel Bunn, Herald-Times

## Call to Order

President Valerie Merriam called the meeting to order at 5:45 p.m. in Meeting Room 1B. Board members present reported on the books that they were currently reading.

## Consent Agenda

Valerie asked for a motion to approve the consent agenda. John moved; Kari seconded.
Valerie had one correction regarding storytelling night on Halloween, which was at Bryan Park, not third Street Park.

Sara stated that she added a special Board of Trustees work session on April 2, 2014, in anticipation of having a recommendation for contractor for the Main renovation by that date. Valerie asked if we would cancel the work session. Sara asked Board members to continue to hold April 9 and 16 for the moment.

Steve Moberly asked about negative balances in the General Obligation Bond Fund report on page 36. Gary responded that expenditures included a network upgrade that cost approximately $\$ 60,000$.

Valerie asked if some of this money will be spent next year, or do we currently have the money for the expenses. Sara responded that we have the money in the bond account, since the entire
proceeds were delivered to the library upon sale of the bond in December 2012. Gary added in the course of next year, he will develop a worksheet of various projects included in the bond so that Board members can easily track when funding is spent for the projects included in the bond.

Motion passed unanimously.

## Director's Monthly Report

Sara Laughlin presented the Director’s report. She announced that the Library received \$87,230 from the FINRA Foundation for a second round of "It's Your Money" financial literacy programs; \$20,000 from the Community Foundation of Bloomington and Monroe County for continued funding of Nonprofit Central; and \$6,500 from the Wahl Family Charitable Trust for digital creativity equipment.

Sara also announced that 257 donors have contributed to the Friends Campaign. Letters are still going out and coming back. We hope to report a total in February.

Valerie asked if we are seeing visitor numbers increase yet. Sara replied that Main Library visits and Ellettsville Branch visits are down and web page views are also down slightly. CATS web page views are running along steadily.

## Old Business

Marilyn Wood gave an update on renovation planning. The architects have delivered the design development plans and the building committee has seen specific examples of furniture, flooring, wall coverings, and other finishes. The architects also proposed a two-phased approach. She is reviewing the plans with affected departments and seeking advice for the digital creativity center. As they begin planning spring and summer programs, employees are asking when the renovation will begin, so phasing calendar will be very helpful. Marilyn expects construction to begin sometime in late April.

Sara added that the architects and building committee continue to find small and larger savings, including reducing Friends bookstore furnishings. Sara has also spoke to the Friends regarding how they can help with the bookstore renovation expenses and discussions are ongoing.

## New Business

Internet and Computer Use Policy
Ned Baugh presented the policy that describes the library goals and objectives with providing internet access for patrons and recommended the Board reaffirm the policy with no changes.

Valerie asked for any comments or questions. Fred responded he felt the Board received good answers to the questions in last week's work session.

Fred moved to approve the policy. John seconded. The vote was unanimous.

## 2014 Holiday Closing Schedule

Kyle Wickemeyer-Hardy presented the schedule. Valerie asked for a motion to accept the schedule.

Kari moved to accept it. John seconded.

Kyle said the main change in the schedule is that we do not have a Staff Day scheduled in October. The motion passed unanimously.

## 2014 Pay Schedule

Kyle Wickemeyer-Hardy presented the 2014 Pay Schedule.

Valerie asked for a motion to approve the schedule. Stephen moved to approve the proposal. Kari seconded.

Kyle reported there were no changes. The vote was unanimous.

## 2014 Salary Schedule

Kyle Wickemeyer-Hardy presented the 2014 Salary Schedule.

Valerie asked for a motion to approve it. Fred moved to approve the schedule. John seconded.

Kyle Wickemeyer-Hardy stated the change in the schedules includes a $1 \%$ increment with an additional 1\% cost of living for employees in Pay Grades A through I, a \$5,000 increase for managers below the mid-point, and a $2 \%$ increase for managers above the mid-point, as well as an increase in minimum and maximum salaries for Pay Grades J and K.

Kari asked if this recommendation included manager salary changes. Sara responded that it did. Sara gave the Board two new charts with information that they requested in last week's work session: a revised comparison with Indiana libraries excluding Indianapolis and Allen County Public Libraries and a chart showing expenditures, expenditures/capita, circulation, and circulation/capita that she used to identify comparable libraries.

Valerie said when she was looking at the per capita statistics and wondering what the Ann Arbor District Library does to circulate 53.7 items/capita, compared with Monroe County's 19.8. Sara responded that they are one of the top libraries in the country, and are a city library, so serving a population across a much smaller geographic area, closer to the library building.

Valerie asked where we stood in personnel expenditures in the 2013 budget. Sara said when the budget is developed in May of the preceding year, she and Gary typically include all employees on the payroll at that time and assume that all positions will be filled for the following year. We do the same to estimate benefit costs. In reality, not every position is filled every day, because there is normal turnover, so there is typically some money remaining at the end of the year.

Valerie asked if the recommended manager increases would complete the recommendations made by The Singer Group. Sara responded that it would, within the limits of what the library could afford.

Stephen thanked Sara for including the additional information he asked for. He stated these new charts provide better comparisons than the ones presented in last week's work session.

Kari asked about the minimum and maximums for Monroe County Public Library in the chart on page 78. She asked if this would bump up the max. Sara responded it would have a small increase in the minimum and the max. The Pay Grade J minimum would increase from $\$ 45,299$ to $\$ 47,000$; the max will go from $\$ 67,948$ to $\$ 69,000$. The Pay Grade K minimum would increase from $\$ 63,024$ to $\$ 67,000$ and maximum from $\$ 94,536$ to $\$ 98,000$.

Valerie asked for a vote. The motion passed unanimously.

## 2014 Salary for Library Director

Valerie stated the salary recommendation was $\$ 102,707.74$, a $\$ 5,000$ increase. She asked for a motion. Stephen moved to approve. Kari seconded. The vote passed unanimously.

Valerie thanked Sara for all that she does for the Board of Trustees and the Library.

CATS 2014 Agreements with City of Bloomington-Permission to Use Digital Underground Fiber, Funding Agreement for 2014, and Public, Education and Government Channel Programming
Valerie asked for a motion to accept. John moved. Fred seconded.

Martin O'Neill explained the agreements and said the partners and the Library sign them every year. Martin stated that nothing except the funding amount has changed.

The motion passed unanimously.

CATS 2014 Agreement with Town of Ellettsville
Martin presented the Town of Ellettsville agreement and stated there would be a $2.6 \%$ increase.

John moved to accept the agreement. Fred seconded. The vote passed unanimously.

## 2014 Fee Schedule

Valerie asked for a motion. Fred moved to approve it. John seconded.

Gary Lettelleir stated we are not recommending any changes to the 2014 Fee Schedule.

Kari asked if there have been many business uses of the meeting rooms. Gary responded no. After the renovation, this may change.

Sara said members of the public have asked for the auditorium to be open after closing and to be able to charge admission for events. She has asked staff to review current policy and fee schedule, as well as operational challenges. Changes may be presented to the Board in the future, before the renovation phase is completed.

Valerie asked how many non-resident patrons have purchased library cards to use the Library. Bara responded it was approximately 500, and she would get the exact number. Seven people currently have subscription cards. Bara said PLAC cost is $\$ 50$, and the use of just this library is \$60 for a subscription library card.

Kari asked if anyone in Brown County could use our library. Sara responded that they would need to buy a PLAC card to use our library services.

Valerie asked whether the PLAC money was sent to the state. Sara responded that we send the money from PLAC card purchases to the state and are reimbursed based on loans. Valerie asked if there was a charge for anyone using the inter-library loan service. Sara said there was not; the cost estimate for filling a library loan is $\$ 30$. The library sends about 20 requests on behalf of patrons to other libraries and responds to approximately 200 requests per month; we respond to the first 20 requests each day and pass on the rest. Valerie noted that this was a big expense for the library.

Sara explained the interlibrary loan procedures to the Board. John asked if the \$30 estimate comes out of our budget. Sara said there is no out-of-pocket cost; it's just staff cost.

John asked if academic libraries participate in interlibrary loan. Sara responded yes.

The motion passed unanimously.

Resolution to Permit Transfer from LIRF to Cover Potential Late Tax Settlement

Kari moved to approve the resolution. John seconded. Gary Lettelleir reported that we should have 95 percent of the fall settlement by the end of December, but the resolution is a precautionary measure that would protect us if we did not receive it.

The motion passed unanimously.

## Grant Agreement with FINRA Investor Education Foundation

Valerie asked for a motion on the agreement. Fred moved to approve the grant agreement. John seconded.

Sara stated the library is delighted to have this renewal of funding we received a couple of years ago. We have been pleased with the outcomes. The new grant totaling $\$ 87,230$ will cover a 28 month period. The library will partner with IU and others.

Valerie said it was a very successful grant before, and she was amazed with the amount the library received this time.

The motion passed unanimously.

## Public Comment

There was no public comment.

## Adjournment

Valerie asked for a motion to adjourn. Kari moved to adjourn the meeting. John seconded.
The meeting adjourned at 6:45 p.m.

## Financial Report Comments

Reports as of 12-31-13

Board Meeting Date 1/15/14
Monthly Budget Report:
The actual revenue in the Operating Fund was $\$ 7,869,014$ compared to the budgeted revenue of $\$ 7,788,046$, a favorable variance of $\$ 80,968$. The actual Operating Fund expenditures were $\$ 7,486,325$ compared to budgeted expenditures of $\$ 7,818,020$, a favorable variance of $\$ 331,695$. The Operating Fund balance increase is $\$ 382,689$ for the year. We did receive the balance of the Fall property tax settlement before year end.

Salary and wages were relatively close to budget this year. We were under budget on this line by $\$ 65,145$. Benefits were under budget by $\$ 131,682$. We had budgeted for an Anthem rate increase in 2013 but our rates remained at the 2012 level.

The remaining balance of the 1.8 million bond is a little under 1.5 million. I will be providing some more detailed information on spending by project in the next couple of months.

We transferred $\$ 217,000$ to the LIRF fund. The balance is $\$ 1,334,724$. The Rainy Day Fund balance is $\$ 1,576,509$.

## Director's Report

# GOAL 1: Strengthen $\mathbf{2 1}^{\text {st }}$ century literacy skills. 

## 1A. Strengthen early literacy skills.

- Despite the rough winter weather, 3,890 patrons visited the Learn and Play Space in December. We saw many examples of grandparents making use of the space over the holiday season, and we're hoping to provide intergenerational programming during the next big holiday season.
- In response to patron requests and the results of a patron survey sent to the IU Working Moms Group, we began the expansion of evening preschool programming in December. During the first three Tuesdays of the month, we now present baby programs followed by preschool story times. In December, 83 babies and caregivers braved the weather along with 55 preschool children and their parents.

## 1B. Support basic literacy skills.

- A teacher came in the Children's department to say a big "thank you" to the librarians who fill requests through the childref@mcpl.info email. She said she frequently requests books on topics for her class and the books she receives are always fantastic and exactly what she needs.

## 1C. Serve as a community resource for digital literacy.

- Austin Stroud, instructional designer, held four offsite programs at the Meadowood Retirement Community with about 40 residents in attendance. He worked with five patrons in free, one hour, one-on-one sessions and led three programs at the library to assist patrons with technology questions in open labs and provide guidance on the hottest technology tools for the holiday season.
- In 2013, instructional designer Austin Stroud held 95 technology programs at the library and in the community, with a total of 573 patrons in attendance.

Moving Range (2)
Set 4: $U C L=27,394.19$, Mean $=8,382.56, L C L=$ none $(69-83)(m R=2)($ Lloyd Nelson option $)$

## 1D. Support digital creativity.

- Steve Backs met with Bloominglabs' Jenett Tillotson to begin planning for Summer 2014 Maker and Digital Creativity programs. Adult Services purchased eleven sets of components in preparation for developing a workshop series on Arduino.

## 1E. Maintain collections to meet current needs, adding new formats and removing obsolete formats.

- The library added the 3M Cloud Library, which offers ebooks that are fully integrated into Polaris, offering a much more streamlined and user-friendly interface for library patrons.
- Culturegrams, a database which provides information on the history, customs and cultures of more than 180 countries and individual states, was added to the library's offerings, as a result of requests by the MCCSC advisory group.
- Based on patron feedback, Communications and Marketing improved visibility of Large Print materials both online in the catalog and with signage and identifiers in the stacks.

## GOAL 2: Provide shared access to the world's information for free.

## 2A. Provide programs for teens and adults.

- Christine Friesel presented a workshop on the genealogy database "Fold3" and Luann Dillon taught "Heritage Quest," the census, books, and PERSI sections. She also gave a brief introduction to "Reference USA." Nine attendees went home ready to try out the databases in their own family research.
- Adult Services hosted the annual "Booksplus Holiday Tea." Participants came with suggestions of what they would like to read in the coming year; their suggestions guide the program.

2B. Increase community awareness of and engagement with the library.

- Josh Wolf made paper airplanes for many young children and gave out bilingual fliers from the library during Latino Family Night at Highland Park Elementary.
- Josh Wolf, Lisa Champelli, and Chris Hosler attend the School Librarians' Professional Learning Community meeting. Lisa shared her draft document of selection criteria for online encyclopedias, as well as a draft informational handout for students getting new public library cards.
- Steve Backs met with members of the Makevention organizing committee to begin planning for Makevention 2014.
- The library continued supporting the efforts of the Affordable Care Act Volunteers of Monroe County (http://www.acavmc.org/), a local organization that provides opportunities for community members to learn about options available for insurance under the new law. As a partner in this initiative, the library is providing meeting room accommodations and has contributed time, expertise and marketing resources to help the group promote their events. Adult Services librarian Bobby Overman has joined ACAVMC and has been trained to participate in their events. Winter program guides for children, teens, and adults detailed more than 80 library program offerings from December through February.

## 2C. Strengthen services for nonprofit organizations.

- The library received continued funding for nonprofit central (see 4B below).
- Sue Sater, administrative coordinator, began reviewing options for allowing the auditorium to be open after hours and allowing users to charge admission, in order to make recommendations before the re-opening of the auditorium after renovation.

2D. Continually refresh web content and improve usability based on principles of usercentered design.

- Paula Gray Overtoom (Communications and Marketing) and Vanessa Schwegman (Information Systems) continued to improve the newly updated catalog based on patron feedback and suggestions. These improvements included better icon identifiers for item formats, an improved sorting feature for checkouts and hold requests, and increased accessibility to large cover images, especially useful in the Children's department for helping patrons identify book covers.

## Director's Report

MCPL Web Page Views - All Other, not Home-Catalog-CATS January 2012 -
Temporary: $\mathrm{UCL}=114,619.27$, Mean $=84,924.26, \mathrm{LCL}=55,229.25(\mathrm{mR}=2)$ (Lloyd Nelson option)

Moving Range (2)

2E. Increase technological infrastructure capacity to support increased digital focus.

- Phone system consultants received bids from eight vendors and began the review process. Four vendors presented their proposals to Ned Baugh, Vanessa Schwegman, Marilyn Wood, Gary Lettelleir, and the Library's phone consultant for consideration.
- Christine Friesel submitted a proposal to the IU Libraries to become a full partner in the "Monroe County Timeline" project.
- Brandon Rome and Christine Friesel tested uploading the Showers Bros. Shop Notes. This is the beginning phase of the Monroe County Community Collections project, which includes establishing work flows and ironing out the processes necessary to upload images and assign metadata.

| December CATS |  |
| :--- | ---: |
| Government programs produced | 25 |

## GOAL 3: Provide high quality, personalized customer service.

3A. Provide quality customer service to increasingly diverse audiences.

- Students from Lakeview and Tri-North accounted for 423 of the 877 new library card registrations completed in December. Cards will be distributed to the students by school media specialists in January, as part of the pilot program to provide library cards to every MCCSC student.
- The library was closed due to heavy snowfall on Friday, December 6.
- The Service to People with Disabilities Working Group made plans for a series of programs during Disability Awareness Month, March 2014.

3B. Develop a unified communication strategy.

- New Social Media Content Committee will make library-wide strategy recommendations. The Social Media Content Working Group will guide ongoing content activities.

## 3C. Position auditorium as a valued local performance venue.

## Director's Report

## Director's Report

## GOAL 4: Optimize stewardship of library resources.

## 4A. Recruit and retain quality employees.

- In 2013, the library offered 44 different professional learning opportunities, including 48 hours of technology-related professional learning (each worth one Technology Library Education Unit) and 17 hours (each worth one LEU). These opportunities were planned and taught by library employees and allowed employees to earn TLEUs and LEUs for free, without leaving the library.
- Sara Laughlin presented one session of "Library 101 " and one of " $21^{\text {st }}$ Century Literacy" for employees.
- The Staff Association sponsored a soup lunch pitch-in for employees.
- The Staff Development Committee hosted a reception to new employees as part of the "onboarding" process.
- Sara Laughlin gave a guest lecture for Cassidy Sugimoto's class at the IU School of Informatics and Computing on "outcomes evaluation and return on investment."
- Marilyn Wood and Sara Laughlin met with Dr. Alice Robbin, IU School of Informatics and Computing, to discuss student assessment projects.

## 4B. Assure adequate, stable funding for library operations.

- Sara Laughlin attended the wrap-up meeting of the Friends 2013 author event committee.
- Sara also represented the library at a meeting of the Friends $50^{\text {th }}$ anniversary planning committee.
- Michael Hoerger and Erin Tobey, Communications and Marketing, designed and developed the atrium display drawing attention to the Friends Campaign for Excellence.
- The FINRA Foundation awarded the library $\$ 87,230$ to continue financial literacy programming.
- The Community Foundation of Bloomington and Monroe County granted $\$ 20,000$ for year two of Nonprofit Central. Funding for the pilot year runs out at the end of February 2014; new grant funding will cover March through December.
- The Wahl Family Charitable Trust selected the library to receive $\$ 6,500$ to equip the digital creativity center.
- The United Way of Monroe County contributed $\$ 1,000$ to underwrite the subscription cost for Foundation Center databases.

## 4C. Maintain library facilities.

- Gary Lettelleir and Sara Laughlin attended a Common Construction Wage hearing that established hourly rates for the roof replacement project.
- Christine Matheu Architects presented design development plans for the library renovation. Affected departments began their review of the plans.

## 4D. Improve stewardship of library assets and records.

- Brenda Seibel, receptionist, reports that she saved $\$ 5,165$ in 2013, thanks to bulk ordering of office supplies through Quill.

# MONROE COUNTY PUBLIC LIBRARY <br> ENCUMBRANCE OF APPROPRIATION BALANCES 

WHEREAS, it has been determined that it is now necessary to encumber appropriated balances from the 2013 annual budget.
NOW THEREFORE be it resolved by the Trustees of the Monroe County Public Library, Monroe County, Indiana that the following encumbrances are appropriated balances from 2013 and will be paid from appropriations carried forward into 2014. These amounts are shown separately and carried forward on the attached Ledger of Encumbrances and Balances. The disbursements charged to the encumbered appropriations of the 2013 annual budget will be identified as such on the 2014 appropriations.

## TELECOMMUNICATIONS FUNDING AGREEMENT

Agreement entered into between the Board of Commissioners of Monroe County, ("County") and the Monroe County Public Library ("Library"), on behalf of its Community Access Television Services department (CATS), effective on the date last written below.

## SECTION I. Funding

(a) County shall contribute the sum of Two Hundred Thirty Three Thousand and Two Hundred Forty 00/100s Dollars $(\$ 233,240)$ for calendar year 2014, payable in equal quarterly installments of Fifty Eight Thousand Three Hundred and Ten Dollars and 00/100s ( $\$ 58,310.00$ ), to partially fund the operational expenses of CATS.
(b) Library may use this contribution for salaries and equipment necessary to provide services in accordance with this Agreement. Library will submit a signed claim voucher for each quarterly installment which will be processed in accordance with the County's usual practice for payments.

## SECTION II. Public Meetings

Where the meeting location permits, CATS shall telecast live coverage of regular meetings of the Monroe County Commissioners, Monroe County Council, Monroe County Planning Commission, Board of Zoning Appeals, the State of the County Address and other public meetings as requested by the Monroe County Commissioners. Where the meeting location does not permit live coverage, CATS shall contemporaneously videotape the meeting and cablecast it at the earliest time following the meeting which its schedule allows. Each of the meetings will be replayed at least twice during the week following the original cablecast. The times for replay will be predetermined and supplied to the Herald Times for its TV schedule publication.

## Section III. Special Programming

CATS will cooperate with the Monroe County Commissioners and other county departments to produce and cablecast at least quarterly, a program titled "Your County at Work." The program shall be replayed at least twice monthly during the month in which it is originally cablecast.

## Section IV. Non-partisan Programming

(a) A partisan political program or event is one in which only one political party or candidate is represented, and whose principal purpose is the advocacy of a particular candidate, slate of candidates or party platform or the criticism of an opposing candidate, slate of candidates or party platform. Examples include political party dinners or organizational meetings, fundraisers, and announcements of candidacy for office. CATS crews shall not be used in the program production of partisan political events, nor shall the public meeting channel (currently Channel 14) be used to cablecast such partisan political events; provided however, that CATS may elect to separately telecast primary election candidate forums for each political party where all candidates for contested offices within that party have been invited, and where scheduling time permits the telecast of similar candidate forums of opposing political parties. (b) This section shall not be construed to prohibit the production or telecast of a political party caucus or convention which is required by Indiana election law to nominate candidates or fill candidate vacancies. Further, this section shall not be construed to prevent members of the public who are not affiliated with Library from using Library facilities and equipment for any programming permitted by

## Page 1 of3

state and federal law, and which is consistent with Library access policies.

## SECTION V. Reports

(a) Monthly Report -CATS will provide the County a monthly report of its programming and activities which will include an hour report of its public meetings coverage.
(b) Financial Report -CATS will provide the County at least annually, and more often upon request, a financial report which shall summarize the utilization of the County's contributions.

## SECTION VI. Records

Library will permit the County to examine and copy all records and documents related to the funding provided by this Agreement. Library further agrees to maintain accounting procedures and record keeping in a form acceptable to the State Board of Accounts and will retain those records as required by state law or State Board of Accounts policy.

## SECTION VII. Non-discrimination

(a) Library affirms that it is an equal opportunity employer, and will not discriminate on the basis of race, color, national origin, sex, age, ancestry, religion or disability in the hiring, upgrading, discipline, training and compensation of its employees. Breach of this provision may result in termination of this Agreement.

## Section VIII. Term

This agreement shall govern services provided from January 1, 2014 through December 31, 2014, and shall thereafter be automatically renewed from year to year unless either party gives written notice of its intention to terminate by October 1 of each succeeding year. The funding provided by this Agreement may be adjusted by mutual agreement, but all such funding is subject to an appropriation by the Monroe County Council.

## Section IX. Verification of Work Status

The Library certifies that it is enrolled in the E-Verify program and has verified the work eligibility status of all newly hired employees through the E-Verify program, unless the E-Verify program no longer exists, and that signing this contract serves as an affidavit affirming that the Library does not knowingly employ an unauthorized alien.

## Section X. Investment Activities in Iran

The Library affirms by its signature that it is in compliance with Indiana Code 5-22-16.5 et. seq., and does not knowingly engage in investment activities in Iran by providing goods or services worth $\$ 20,000,000$ or more in value to the energy sector of Iran.

## Recommendation to Select Vendor Gibson Tel-Data Mitel for a Voice over Internet Protocol (VOIP) Telephone System

## Background:

- The Library is currently on two separate digital NEC phone systems at Main and Ellettsville, both of which are at the end of their product life and service support.
- $\$ 100,000$ has been set aside in the General Obligation Bond to fund replacement of the phone systems.
- In September 2013, the Board approved hiring Telecom Resources to assist in identifying the appropriate system functionality, identification and selection of a vendor, and installation of a new Voice over Internet Protocol telephone system.
- A Request for Proposal (RFP) was issued in November.
- Eight vendors responded to the RFP.
- Based on cost, service, equipment and functionality, four vendors were selected to make presentations.

## Our Recommendation:

- We propose selecting Gibson Tel-Data's Mitel solution.
- We selected Gibson based on their service reputation, their experience working with other libraries, our confidence in their ability to provide quality service and equipment, and their cost.
- The total cost of equipment will be $\$ 83,745.67$.
- The total cost of ownership for this system over five years will be $\$ 107,899.67$.
- This compared to five year costs from all four vendors ranging from $\$ 106,122.13$ to $\$ 166,772.26$.

## Monroe County Public Library - Vol P Comparisons

Telecom Resources, Inc. was retained to assist the MCPL in an unbiased manner to select the right system that would support a progressive public library community with tools for current and future innovative communications and collaborative functions.
The adjusted pricing of the 8 vendors that we received bids from are listed below. (The pricing was adjusted as described in the summary for each vendor):

# Monroe Co. Public Library Vol P Comparisons 

(Vol P Voice over I nternet Protocol)
Vendors/ Manufacturers reviewed

| Business Communications Solutions, LLC | Ericsson |
| :--- | :--- |
| Gibson Tel-Data | Mitel |
| K\&J Communications | Vertical |
| Matrix Communications | Cisco |
| MVD Communications | Avaya |
| Netech | Cisco |
| Smithville Telephone Company | Toshiba |
| SWC Communications | Shoretel |

The VolP Project Team consisting of Ned Baugh, Vanessa Schwegman, and Barb Grothe, have reviewed and read through all 8 responses from the above-mentioned vendors. After a thorough review of all 8 vendors, the following were eliminated for the following reasons:

## K\&J Communications - Vertical

- There were specifications asked in the RFP (Request for Proposal) that went out that Vertical could not deliver on such as the future potential integration to Google apps/mail in lieu of Microsoft Office.
- There were terms and conditions spelled out by $K \& J$ that we did not agree with. One of those being that $K \& J$ Communications reserves the right to substitute refurbished parts when necessary.
- The phones seemed cheap and came with the outdated desi strips instead of the LEC backlit display.

## MVD Communications - Avaya

- MVD (Midwest Voice and Data\} out of Ohio responded to our RFP with the Avaya system.
- We felt that the Library should not consider a vendor that was not within the State of Indiana.
- Avaya is no longer in control of their own destiny since they have been purchased by Silver Lake Partners.

## Smithville Telephone Company - Toshiba

- Smithville is our present vendor for our data communications/internet backbone to Ellettsville.
- They proposed the Toshiba system, but their price was very steep and could not be justified, since the lower price vendors would meet the same feature set we were asking for.

## South Western Communications - Shoretel

- They proposed the Shoretel system. The Shoretel is a great system, but it comes with high license fees and thus was the most expensive system.
- The steep price could not be justified since the others met the feature set we were asking for.

For the Short List, we narrowed the list of vendors down from 8 to 4. The 4 vendors that were asked to come into the MCPL and give us a presentation and demonstration of their equipment were BCS, Gibson Tel-Data, Matrix, and Netech. Below is the pricing matrix for a 5 year expenditure which includes maintenance on the phones and software updates.

## BCS Communications - Ericsson

- Jason Buchanan owns the company out of Evansville, IN. and came into to give his presentation. After a review of the phones, we asked him to price out the non-desi-strip phones. We wanted the backlit LED display since the strips can get messy with changes.
- The $2^{\text {nd }}$ set of pricing came in higher but was in line with the same type of phones the other vendors proposed.
- Ericsson is not widely deployed in the US and has only a $12 \%$ market share in the US. They are very strong overseas in the wireless market and on the network side. We just did not have enough positive pluses to buy the Ericsson equipment.

## NETECH - Cisco

- Netech is based in Carmel, IN. They are the present vendor to the Monroe County Government offices and also service the State of Indiana and other very large customer deployments
- The ongoing pricing with Cisco is considerably higher over 5 years as compared to the non-Cisco vendors and could not be cost-justified.

## MATRIX - Cisco

- Matrix is our present vendor that handled our upgrade of the WAN/LAN. (Wide Area Network and Local Area Network)
- Matrix also proposed the Cisco SmartNet solution and in the long run, this will cost the MCPL more compared to the nonCisco vendors.
- Matrix included items that were not asked for in the RFP and thus were asked to remove the items and make them optional so we could conduct a thorough apples to apples comparison.
- Matrix is the current vendor for Monroe Co. Community School Corporation. Cisco holds the highest market share in the US and is a great system, but the ongoing pricing with Cisco is considerably higher over 5 years as compared to the non-Cisco vendors and could not be cost-justified.

## GI BSON TEL-DATA - Mitel

- Gibson is our present NEC Equipment dealer after Gibson bought out US Voice \& Data in Indiana. This may be a plus in any programming that must be done to the existing NEC.
- They gave a great presentation, along with a tutorial of VolP infrastructure in explaining their design.
- Mitel is a proven market leader in the United States.

## RECOMMENDATI ON

After a very thorough analysis of all the proposals, the MCPL team selected Gibson Tel-Data's Mitel solution based on:

- The total value of the package
- The clarity of the technical solutions
- The confidence in the manufacturer and the Vendor
- The proposed solution's flexibility to grow and adapt to MCPL employee and client needs
- Gibson was the only vendor of the 8 to bring in the representative from the manufacturer to the presentation, as well as being the only vendor to show up for the bid opening. It seemed they wanted to partner with us the most and were the most persistent in asking if there was anything else they could do for us, showing they really wanted the business.
- They are including a 5 year warranty on parts.
- The team also liked the physical appearance of the phones.
- Mitel has Library experience as they were the system chosen for the Allen County Public Library in Ft. Wayne, IN.

Hopefully if the Purchase Agreements get signed at the Board Meeting on January $15^{\text {th }}$, we can have the new system installed by end of February or early March. We would like the new system in by the time construction starts in April of 2014.

Below is Mitel's timeline of events that they outlined in the RFP.

| Task | T- (Cut Date) | Responsible Party(s) | Due Date |
| :---: | :---: | :---: | :---: |
| Telco Orders Placed (If Customer Ordered, Supply Copies) | -60 | End Customer | Monday, November 11, 2013 |
| Current Network Diagram | -15 | End Customer | Monday, January 13, 2014 |
| Current Network Info | -15 | End Customer | Monday, January 13, 2014 |
| Equipment Order Date | -15 | Gibson Teldata | Monday, January 13, 2014 |
| POE Switch Deployment | -13 | End Customer | Wednesday, January 15, 2014 |
| System Data Gathering Customer Meeting | -10 | Customer \& Gibson Teldata | Monday, January 20, 2014 |
| Customer Floor Plan Received | -10 | End Customer | Monday, January 20, 2014 |
| Pre-Install Network Assessment Date | -10 | Gibson Teldata | Monday, January 20, 2014 |
| Import Spreadsheets Complete | -10 | End Customer | Monday, January 20, 2014 |
| Network Assessment Passing Score | -7 | Gibson Teldata | Thursday, January 23, 2014 |
| Network Configuration Complete | -7 | End Customer | Thursday, January 23, 2014 |
| Power Requirements Met | -7 | End Customer | Thursday, January 23, 2014 |
| Environmental Conditions for Customer Site Met | -7 | End Customer | Thursday, January 23, 2014 |
| Equipment Delivered to Customer Site | -5 | Gibson Teldata | Monday, January 27, 2014 |

| Network Configuration Verified | -5 | Gibson Teldata | Monday, January 27, 2014 |
| :--- | :---: | :---: | :--- | :--- |
| Telco Delivery Date | -5 | End Customer | Monday, January 27, 2014 |
| Cabling Complete | -5 | End Customer | Monday, January 27, 2014 |
| Change Order Freeze (5 working days prior to cut) | -5 | End Customer | Monday, January 27, 2014 |
| Software/Programming Freeze (5 working days prior to cut) | -5 | End Customer | Monday, January 27, 2014 |
| Go/No Go Decision Date | -5 | Customer \& Gibson Teldata | Monday, January 27, 2014 |
| System Installation \& Programming | -3 | Gibson Teldata | Wednesday, January 29, 2014 |
| Remote Access | -2 | End Customer | Thursday, January 30, 2014 |
| Designated User Training | -2 | Customer \& Gibson Teldata | Thursday, January 30, 2014 |

| System Cut Over | 0 | Gibson Teldata | Saturday, February 01, 2014 |
| Post Cut Over Support | 1 | Gibson Teldata | Monday, February 03, 2014 |
| Delivery \& Acceptance | 1 | Gibson Teldata | Monday, February 03, 2014 |
| Turnover to Service Department | 2 | Gibson Teldata | Tuesday, February 04, 2014 |
| Post Install Network Assessment | 10 | Gibson Teldata | Friday, February 14, 2014 |

## FEATURES OF PHONE

## Mitel MiVoice 5330e IP Phone

The Mitel MiVoice 5330e IP Phone is perfect for the enterprise desktop and features a large display and 24 self-labeling buttons that can be programmed for a variety of functions.

The Mitel MiVoice 5330e IP Phone is a full-feature, applications telephone that features a large graphics display, embedded gigabit support, and 24 selflabeling keys that can be programmed as speed dial keys, line keys, or feature access keys. Twelve fixed-function keys provide convenient one-touch access to commonly used telephony features, navigation keys and menus, as well as customizable user settings. The 5330e IP Phone also has three contextual softkeys to help users easily navigate through telephony functions.

Optional modules can be added to your 5330e IP Phone, fulfilling the need for users to have conferencing, additional buttons, cordless DECT or Bluetooth accessories, or local emergency access for Teleworkers.

Embedded applications in the MiVoice 5330e IP Phone include:

- Visual Voicemail
- Call History
- Call Forwarding
- Conference
- Settings
- Cordless Applications
- Call Information

Add-on applications include Mitel Intelligent Directory, which is an advanced phonebook and presence application, and Mitel Live Content Suite, which allows you turn your phone into a rich media information appliance using Live Blogger, Live Flickr, and Live Twitter. All of these applications as well as custom HTML applications can also be accessed when the 5330e IP Phone is used as a remote Teleworker phone.

When used with Mitel Unified Communicator Express (UCX) or Mitel MiCollab Client (formerly Mitel Unified Communicator Advanced), the 5330e IP Phone provides users with presence applications and integrated functionality with your PC.

## Mitel MiVoice 5340e IP Phone

This enterprise-ready IP phone features a large backlit display, productivity applications and programmable keys.

The Mitel MiVoice 5340e IP Phone is a full-feature, applications telephone that features a large graphics display, embedded gigabit support, and 48 selflabeling keys that can be programmed as speed dial keys, line keys, or feature access keys. Thirteen fixed-function keys provide convenient one-touch access to commonly used telephony features, navigation keys and menus, as well as customizable user settings. The 5340e IP Phone also has six contextual softkeys to help users easily navigate through telephony functions.

Optional modules can be added to your MiVoice 5340e IP Phone, fulfilling the need for users to have conferencing, additional buttons, cordless DECT or Bluetooth accessories, or local emergency access for Teleworkers.

## Embedded applications in the MiVoice 5340e IP Phone include:

- People (Contacts)
- Visual Voicemail
- Call History
- Call Forwarding
- Conference
- Settings
- Cordless Applications
- Call Information

Add-on applications include Mitel Intelligent Directory, which is an advanced phonebook and presence application, and Mitel Live Content Suite, which allows you turn your phone into a rich media information appliance using Live Blogger, Live Flickr, and Live Twitter. All of these applications as well as custom HTML applications can also be accessed when the 5340e IP Phone is used as a remote Teleworker phone.

When used with Mitel Unified Communicator Express (UCX) or Mitel MiCollab Client (formerly Mitel Unified Communicator Advanced), the 5340e IP Phone provides users with presence applications and integrated functionality with your PC.
