# THE HERO'S JOURNEY

We're so glad you've decided to spend your summer at Camp Myth!

1. Complete at least two of the three activities AND the Reading Challenge in each module. Complete at least one module to earn a prize. Modules do NOT need to be completed in sequential order.
2. Fill in a floating rock for every completed activity. If you are not interested in a module's activities, please feel free to ask an MCPL staff member for alternative options.
3. Once you complete a module, color in the corresponding mythical creature, and get entered for a chance to win one of several grand prizes. Each module completed will count as one entry in the drawing.
