# GRADES K-6

**Free and easy access** to online electronic resources for you and your students.

From encyclopedias, eBooks, and information about world cultures to animated picture books and audiobooks—outstanding, relevant resources for your classroom are only a click away.

Use the Library's electronic resources to identify and incorporate age-appropriate reading and reference materials into your classroom. Some resources include translation features to support needs of English language learners.

Library resources ensure your students' access to current and reliable information. Access to text, video, audio, and animated picture books, means different learning styles are accommodated.

## **Instant Access Resources**

No card is necessary to access these resources in your classroom.

*Direct access is free and easy—the Library has included your school in our license for these resources.*

### **World Book Online**

*([mcpl.info/worldbook](http://mcpl.info/worldbook))*

The premiere reference encyclopedia. Use **World Books Kids** for younger elementary students or **World Book Student** for all grade levels. *Access to other World Book products and eBooks also available.*

### **Tumblebooks** *([mcpl.info/tumblebooks](http://mcpl.info/tumblebooks))*

eBooks just for kids, always available with no need to download. Access videos, chapter books, audiobooks, and animated talking picture books.

## **eAccess Resources**

Use your eAccess cards to sign in and access these Library resources.

### **Culture Grams** *([mcpl.info/culturegrams](http://mcpl.info/culturegrams))*

Information on the world's countries and peoples through photos, videos, interviews, statistics, recipes, and more. *Includes access to the Kids Edition.*

### **eBooks** *([mcpl.info/ebooks](http://mcpl.info/ebooks))*

Fiction and nonfiction books, in electronic format through Over Drive and Cloud Library.

### **Mango** *([mcpl.info/mango](http://mcpl.info/mango))*

Online language learning that teaches real conversation skills through fun, interactive lessons. Choose from 70+ languages.

# GRADES 7-12

**Free and easy access** to online electronic resources for you and your students.

Your students aren't just preparing for graduation. They're preparing for college, the job market, and self-sufficiency. The high-quality reference and learning resources available through the Library allow you to tailor your lesson plans around the critical skills needed for living, learning, and working in the 21<sup>st</sup> century.

Use the Library's electronic resources to incorporate these tools into your curriculum:

- Reading and reference materials compatible with most popular digital devices
- Authoritative information suitable for research
- Self-paced learning to supplement classroom instruction
- Familiarity with online learning that prepares students for tomorrow's colleges and workplaces

## **Instant Access Resources**

No card is necessary to access these resources in your classroom.

*Direct access is free and easy—the Library has included your school in our license for these resources.*

### **CREDO Reference** ([mcpl.info/credo](http://mcpl.info/credo))

For research projects and homework. Search in hundreds of encyclopedias, dictionaries, thesauri, quotations, and subject-specific titles, as well as 200,000+ images and audio files, and 1200 videos.

### **World Book Online** ([mcpl.info/worldbook](http://mcpl.info/worldbook))

The premiere reference encyclopedia containing thousands of informational articles with illustrations, videos, interactive maps, research help, and activities.

## **eAccess Resources**
